The opinions or views expressed in this professional education supplement are those of the authors and do not necessarily reflect the opinions or recommendations of ASBMT, CIBMTR, or Fujisawa Healthcare, Inc.

Dosages, indications, and methods of use for products that are referred to in the supplement by the authors may reflect their clinical experience or may be derived from the professional literature or other clinical sources. Because of the differences between in vitro and in vivo systems and between laboratory animal models and clinical data in humans, in vitro and animal data may not necessarily correlate with clinical results.
